

Bledlow Ridge CC 1s v Horspath 3s

Saturday 25th July 2015 – Away

-
Ridge come unstuck on a sticky dog

BRCC 125 all out (45.3 ov)
Horspath 128-7 (31.2 ov)

Result – Lost by 3 wickets

It rained all Friday. And in the night. This was a toss we had to win. Lost it. Useless Tosser (again!).

We batted on the worst wicket since Brackley. Or possibly including.

We could have batted better I suppose. Scott decided to go 'big' and hit three sixes in his 19; MSD batted well. 125 might have been enough but Adey Manger who has played a bit of cricket steered Horspath home. Despite Matt's 4-42 – well done.

It was all put into context a week later when Horspath were heavily beaten by Twyford who we had beaten the week before.

Geoff came to support and did the subs, efficiently as always.

Then we went home.
