

# BLEDLLOW RIDGE CRICKET CLUB

Meadow Styles Sports Ground, Chinnor Road, Bledlow Ridge

## Guidelines for the use of Social Media, texts, apps, email and messaging services September 2019

**All members and guests of the club are reminded that our Codes of Conduct also apply online and in text and email communications.**

### **Club Officials / Coaches / Team Managers**

- Keep cricket club and personal social media accounts separate. All contact with players should be through the former, and strictly in relation to training, coaching, matches and cricket related activity.
- Adjust the privacy settings for your personal account so that content is only visible to accepted 'friends'. This will keep younger players safe from material that may be unsuitable for them, and will reduce the risk of your online interactions being viewed with suspicion.
- Although younger players may see you as a friend, and may request to be your 'friend' on a social media site, you should direct them to the club page and keep all contact professional. What they might consider innocent, friendly contact may not be seen as such by their parents, people at the club and others.
- Be mindful of any content you post online on the cricket club account. Remember that you are representing the club. Ensure nothing you post could cause personal distress or be seen as inappropriate for children. **If you wouldn't put it on the club notice board, it doesn't belong on the club's social media pages.**
- Consent must be obtained before posting any personal information online. This includes photographs where an individual can be identified. For under 18s, refer to our Policy for the use of images of children and remember that a child's picture and their name should not appear together

### **Contacting Under 18 players - texts, apps and emails**

**Note: The Children Act defines a person under 18 years as a child. You should make arrangements for under 18s via their parents or carers; this includes text and email or Whats App messages etc.**

- It is understood that in the case of over 16's this may not be ideal for yourself or the parents. An acceptable exception to this rule is to text or email the parent and to copy in the 16 or 17 year old, with the parent's prior consent. This means the parent is able to monitor communications,

but the 16 or 17 year old receives the information directly.

- If you receive any responses that appear inappropriate they should be brought to the attention of the parent or carer.
- You should not engage in individual text or email conversations with a 16 or 17 year old without their parent receiving the same messages from you.
- All contact with children should be in relation to coaching, matches and cricket-related activity.

## **Summary**

**If you suspect that someone is using social media in an unsafe or inappropriate manner, you should report their behaviour to your Club Welfare Officer, the County Welfare Officer, or the ECB Safeguarding team – email: [safeguarding@ecb.co.uk](mailto:safeguarding@ecb.co.uk)**

**If you believe that an offence has been committed, or that someone's use of social media is placing a child at risk of harm, inform the police immediately.**
