

BLEDLOW RIDGE CRICKET CLUB

Meadow Styles Sports Ground, Chinnor Road, Bledlow Ridge

Secretary's Report to the Annual General Meeting 2020

Committee Business

The committee remained properly constituted* throughout 2019 and met on 10 occasions. Minutes of committee meetings can be provided on request to the Secretary.

* as elected at the 2019 AGM. There remains a gap for a social secretary.

League Obligations

The club fulfilled all of its obligations to the Cherwell League with respect to membership, fees due, attendance at the League AGM and registration. We are currently represented on the Cherwell League Management Committee by Ian Murdoch who serves as General Secretary of the League.

Fixtures

The club fulfilled all of its fixtures and succeeded in getting 11 players on the pitch in all games bar 1, which was as a result of a late call off (Sat morning) caused by a car accident. The 1st XI provided an umpire for all their games and the 2nd XI provided a non-playing umpire on 3 occasions. We did not have a non-playing scorer in the 1s and had 1 in the 2s.

Players

We used a total of 47 players, 25 of whom played in the 1s and 40 of whom played in the 2s. 40 players paid a membership fee (including 8 who paid via a junior subscription), 7 played as guests, and 2 due memberships remain outstanding. 2 players paid a membership but did not play a game. Excluding juniors, there were 5 inward registrations and 1 outward. We currently have 70 players registered with the CCL to play in any division, 3 registered for divs 7-10 only and 12 registered as U15s (3 of these will move into open age cricket in 2020).

Club Constitution and Policies

As part of the Clubmark reaccreditation process, the club has constructed a new constitution and a number of required policies. These are all now published on the club website.
