

# BLEDLOW RIDGE CRICKET CLUB

Meadow Styles Sports Ground, Chinnor Road, Bledlow Ridge

This policy applies to arrangements for adults and children, using changing and showering facilities when attending matches or training sessions, either at home or away.

- Adults must not change, or shower, at the same time using the same facility as children - if the same changing room is used then they must have different times.
- Mixed gender teams must have access to separate male and female changing rooms.
- Due to the risks of inappropriate photography or filming, mobile phones must not be used in changing rooms.
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Suggest instead that they may change and shower at home.
