

BLEDLOW RIDGE CRICKET CLUB

Meadow Styles Sports Ground, Chinnor Road, Bledlow Ridge

Policy for Welcoming and Safeguarding children with a disability – September 2019

The club is committed to ensuring cricket is open and accessible to all members of the community regardless of age, race, disability, ability, gender, religion/belief, sexual orientation or background.

Children with disabilities or special needs will be welcomed to the club with an approach that involves talking with the child and his or her parents/carers about what their abilities are, and what they may need assistance or different arrangements with.

The club will:

- Discuss the child's abilities and needs with the child and his/her parents/carers.
- Agree a support plan with the parents and the child, with the involvement of the Club Welfare Officer.
- Review the support plan at agreed regular intervals, with the involvement of the Club Welfare Officer.

The club recognises that children with disabilities are children first, and need to enjoy opportunities and experiences open to all children in a safe environment.
